

## Invitation to the Press Conference

euward 2010 is more european than ever

### **Artists from 9 nations have been nominated for the euward5**

Munich, May 2010 – euward is the european art award for painting and graphic arts by artists with a mental disability. It is the first, and so far the only, prize of international status to be awarded in this sphere of art. euward has been presented by the Augustinum Foundation (Munich) since 2000 and, with the support of the Evangelische Kreditgenossenschaft eG and Sanitas Versicherungs- und Wirtschaftsdienst GmbH, will be presented for the fifth time in 2010. The patron is Emilia Müller, the Bavarian State Minister for European Affairs.

From about 500 applications from 24 european countries, the committee of trustees has shortlisted 26 artists from 9 countries. The jury will select the three award winners from the nominees on 12th June. Immediately following the jury session, we invite you to the
